Saturday Night Rafts

For members who cannot accompany cruises in progress, or if no formal cruise is planned, these are designated anchorages locations for Saturday Night Rafts throughout each month of the cruising season in the Solomons and Potomac areas. These are potential gathering places for members who plan to spend weekends afloat near their homes. Saturday Night Rafts are not recognized as part of the regular cruising program (no cruise leaders, no points, etc.), but they enable SMSA members an opportunity to meet each other for social evenings. The Saturday Night raft locations are:

Weekend	Solomons Fleet	Potomac Fleet
1 st Saturday	St. Leonard Creek/Rodney Pt.	Yeocomico River
2 nd Saturday	Cuckold Creek/Mill Cove	St. Inigoes Creek
3 rd Saturday	Solomons/Mill Creek/Old House Cove	Smith Creek (near entrance)
4 th Saturday	Back Creek (near Zahnizers)	Yeocomico River
5 th Saturday	Helen Creek	St. George Creek/Price Cove
