

**Southern Maryland Sailing Association (SMSA)
Small Boat Dry Storage Agreement**

Small boat dry storage at the SMSA facility is limited to SMSA Members for storage of small sailboats (20' or less). Boats stored must be personally owned (or leased) by the individual renting the storage space. Members maintain all liability for their property while it is stored at the SMSA Facility and agree to be governed by the complete Small boat Storage Policy found in the SMSA Policy & Procedures Manual, which can be viewed under the Facilities section of the SMSA website-www.smsa.com (Go to "Club Info"- "Facilities"- "Small Boat Storage Policy")

Please Note- SMSA's gin-pole type lift has a 1-ton capacity and is to be used only to launch and recover small sailboats of 20' or less. Storage fees are charged "per boat" and are divided into 3 categories: Small, Medium & Large based on a boat's Total Area (Length x Beam per the Manufacturer's Measurements)

The applicable dry storage fee is **due in full** by **March 1** for storage for the calendar year (Jan 1 to Dec 31). Fees can be paid by check payable to "SMSA" via the mail (or clubhouse drop off) or electronically via the SMSA website- www.smsa.com. (Go to "Club Info"- "Facilities"- "Small Boat Dry Storage"- Click "online payment") There will be no provisions for month to month rental fees.

DRY STORAGE FEES: **SMALL: \$190.00** (Total area of 28 to 66.59 SF)
 MEDIUM: \$345.00 (Total area of 66.6 to 104.69 SF)
 LARGE: \$500.00 (Total area of 104.7 up to approx 143 SF)
