

## **SMSA FORUM RULES AND GUIDELINES**

**The SMSA Forum's are open to all SMSA members but registration is required.**

First name, surname (last name), and an email address are required fields when registering on the forum. It is recommended that a username that reflects your identity is selected, though this isn't required. However, this is a family-friendly forum and if the username is inappropriate access will not be granted.

**Do NOT post Spam in the forums.**

Spam includes advertisements, content deemed inappropriate or illegal, and flooding of the topics.

**Content should be kept to club related events only.**

**Be sure to locate the best forum/topic for your statements.**

If a moderator finds your message to be better placed in a different forum/topic, your post may be moved.

**Be respectful of other people when posting. Name calling, personal attacks and foul language will not be tolerated.**

If such an act occurs you will be locked out of the forum for a temporary time period. If such acts continue, the case will be brought before the Board of Governors and may result in deletion from the forum.

**Do not impersonate another member.**

Unregistered users or non-members are not permitted to provide statements using a members account.

**The rules are subject to change.**

Please bear with us as we expect the need for changes during this development process.

**Most importantly, enjoy the SMSA forum !**
