Volume 34, No 4

COMMODORE

Our SMSA birthday party in mid-March was a delightful affair held at the Elk's Lodge in Hollywood, Maryland. Many volunteers cooperated to make this party a resounding success. Founding members, charter members, past Commodores and new and old members gathered together to celebrate 32 years of SMSA activities. The Social Governor, John Herbig, combined this celebration with a surprise addition for Janet and me by celebrating our 50th wedding anniversary which occurred on the same day. Janet and I want to thank all those contributed to the event including Kris and Jim Young, Maggie Weir and Barbara Herbig. Thank you again everyone!

At the March BOG meeting we noted that Roger Chandler, a founding and charter member had passed away in late February. Roger was a long time friend to many of us and we sadly acknowledge his passing.

Also at the March meeting, the 2004 P&PC Chair, Frank Gerred, provided the BOG with a short report of plans for defining a method to safeguard our building fund. With the membership renewals complete, the treasurer noted that we would not need to rethink the 2004 budget because the

membership renewal income meets our expectations.

By the time this issue of *The Clew* reaches your hands, you will have received a request for \$15.00 for the SMSA building fund and a letter explaining the reason for this assessment. Briefly, this modest amount from each member will begin the building fund for the acquisition of a permanent site for SMSA. The assessment was implied in a motion approved by the membership at the General Membership Meeting in September of 2002. A presentation to the membership of a possible permanent site and a financing plan is scheduled for July 31, 2004.

At our next BOG meeting we will be reviewing and voting on a by-laws change to tie additions to the building fund to the membership renewal cycle in February of each year. See the April BOG agenda for other items of interest.

Check the calendar on the back of this issue of *The Clew* for the various SMSA activities. Our **Opening Day Ceremonies** take place on **April 3** and I hope to see many members and friends gathered around the flagpole to celebrate this occasion. The Women's Program Governor, Wendy Schneider, has planned an "on the water seminar" right at the clubhouse after the ceremonies. The Frostbite cruise and the first of the Zahniser's

Wednesday night races begin our official sailing season this month. Ashore seminars and spring races fill out our SMSA April calendar. Check the inside of *The Clew* for reports and a complete list of activities so that you will be sure to join us whenever you can.

Your Board of Governors welcomes all members to their next meeting on April 1. The draft agenda for our April BOG meeting is elsewhere in this issue of *The Clew*. Please review it for topics of interest. We hope to see many SMSA members in attendance.

CRUISE

May 1-2 Cruise to Island Creek

Most SMSA cruisers have probably visited Island Creek, which is only about 3 miles beyond St. Leonard Creek. Island Creek is an attractive and very convenient weekend cruise destination (as well as an easy way to get to Stoney's on Broome's Island by water).

The *Kelly Ann* crew will try to have our anchor down by 3 p.m. in a location beyond the restaurant, but close enough to dinghy in if the SMSA happy hour hors d'oeuvres don't quite fill you up (and

assuming Stoney's is open by then). We'll have strawberry daiquiris ready for the happy hour at 5 p.m.

Please let us know if you plan to join us on the cruise.

Frank and Nancy McCabe, Cruise Leaders
(410)326-3440, fmccabe@chesapeake.net

**ONE WEEK MAY CRUISE
May 22 to May 31**

As I write this article at the end of a blustery cold mid March weekend, I'm reminded how impatiently we are looking forward to the warmer weather (hopefully) of May and our extended week long cruise North. The itinerary is to head for the Rhode River on Saturday May 22, then on to the Magothy River on Sunday and Baltimore on Monday. There is a lot to see and do in Baltimore and we'll spend a lay day there. Then back across the Bay to the Corsica River. On May 27, we'll head south again to Dunn Cove off Harris Creek in the Choptank River. Friday will be a short trip to San Domingo Creek with time to explore St. Michaels. We'll meet the Memorial Day weekend cruisers while in San Domingo Creek and then proceed on Saturday to Oxford on the Tred Avon River and another lay day. Finally, home to Solomons on Monday (Memorial Day). Please let us know if you plan to join us for part or the entire trip. We will be gathering information on activities and marina's in Baltimore and Oxford over the next few weeks. We'll follow the usual check-in procedures and will be on the radio at 10:00 a.m., 12:00 noon and 2:00 pm. We will be monitoring Channel 9. Remember Channel 9 is now the preferred channel for hailing, etc.

MEMORIAL DAY WEEKEND

For the Memorial Day weekend we are planning on joining those members who went on the one-week cruise to Baltimore. As that group plans on arriving in Oxford on Saturday, May 29, we will be

WOMEN'S PROGRAM

leaving from Solomons that same day to join them there. We will be leaving early Saturday morning, and will monitor Channels 9 and 68 while underway. (Distance is approximately 34 miles) We will also have our cell phone on board, (973) 219-8735.

Our plan is to anchor *Walkabout* off the beach at the Strand, near the Bellevue Ferry (LAT 38° 41' 621"; LONG 76° 10' 322°). Please join us for a raft-up and we'll be flying the Happy Hour flag at about 5 p.m. For those who wish marina accommodations for the night, please contact one of the several marinas in Oxford to reserve a space (we can give you names and phone numbers if needed). If you don't want to raft up, or are making slip arrangements, we can provide a dinghy shuttle for members to the raft-up from the beach. We will continue to monitor Channels 9 and 68 throughout the day.

For those looking for something to do ashore, there is an Annual Oxford Invitational Fine Arts Fair on Saturday and Sunday, from 10 a.m. to 5 p.m., at the Oxford Community Center. There are also many quiet streets and lovely old homes to discover as you stroll through this charming eastern shore village.

Sunday we'll leave for a short trip across the Tred Avon to Plaindealing Creek (distance approximately 1 mile), to anchor and raft-up again (LAT 38° 42' 903"; LONG 76° 10' 322°). Happy hour is planned for around 4 p.m. Please plan on bringing along your own dinner for the evening (if we don't all over eat on cocktails).

Monday we will be heading back to Solomons (approximate distance 35 miles). We are looking forward to seeing you all. If you plan on joining the group or have questions, please contact us. Dave and Lois Zonderman, *Walkabout* (973) 584-3981, sail274@aol.com.

It's great to see the sail boats sailing again! I like nothing better than to look out the window and see our boat at the dock ready to go.

The winter seminars served their purpose and got us through the non-sailing season. They gave us an excuse to get together and hopefully we all learned a thing or two as well. Thanks to all who attended. We will plan to do it again next year.

Next on the agenda is some on the water training. We have two days planned for the spring. April 3 and May 8. Please help me get as many women out for these as possible. I have three boats lined up and can get more if we need them. I've posted information and asked for feedback on the SMSA forum. Please use it to let me know your needs and wants. You can also email or call me anytime.

We can set the boats up by ability level, cruisers, racers etc. or we can mix it all up. We can give you helm time, practice docking, do mark roundings, navigation and or man overboard drills. We can do whatever we want, but it will go more smoothly if I can put some forethought into what to cover and make sure I have the right people to do the training.

The Marcy Series is fast approaching. I'm looking forward to that weekend. It is always so much fun, both on the water and at the luau at Zahniser's. I've submitted information to *SpinSheet* and hope to have a mention of the regatta in the April and May editions. It would be great to get some outside competitors down here for our great venue.

HIGH SCHOOL SAILING PROGRAM

Practices are being held on Wednesdays, Thursdays and Fridays. Leonardtown High School now has a sailing team and is practicing along with the teams from Patuxent High School, Saint Mary's Ryken, and Rising Sun Christian School. Check the SMSA website and follow High School links to see the entire practice and regatta schedule.

Come out to the Solomons Island boardwalk and watch the action on April 17. There will be ten high school teams from the Mid-Atlantic Scholastic Sailing Association (MASSA) Central League competing in a regatta here sponsored and hosted by our SMSA junior program. All races will be visible from the boardwalk. What a nice way to spend a Saturday in the springtime, watching one design dinghy racing in boats skippered by highly competitive high school students.

SUMMER DAY CAMPS

Thanks again to everyone that chose to pre-register. The camps are filling up fast. As a reminder, just because the walk-in "registration night" has come and gone doesn't mean that you've "missed the boat." Registration forms can be mailed to the address on the form at any time prior to the camp start date.

Mr. Sean Sayers has once again agreed to be our camp counselor. Sean is a US Sailing Level 1 certified small boat instructor. He will be assisted this year by two US Sailing certified camp counselors and a number of volunteer counselors-in-training.

Any junior members that are interested in being counselors-in-training for the summer camps should contact me during the high school practice sessions for more information.

J.T. Baker, Junior Governor

SOCIAL

If you haven't already, it is about time to dig out the sailing gear, dust off your sails and get underway. We will be kick starting the sailing season on April 3 with Opening Day at the clubhouse. Things should get underway around 9:30 a.m. with the ceremonial raising of the flags scheduled for 11:00 a.m. Frank King has graciously offered to officiate. The event is complemented with a brunch hosted by your Board of Governors. This year we will once again have the coveted Kangas breakfast burritos, Bloody Marys prepared by Merrie-Ruth, and a variety of other goodies. Members are not required to bring additional brunch items although we will welcome any "extras" that add to the choices.

A very fine SMSA Birthday Party was held at the newly renovated Elks Lodge on March 13. A toast to SMSA was offered just after Walt Rupp recognized the founding and charter members, past commodores, and new members present for the evening. Founding and charter members assisted in the cake cutting with Chuck Fadeley lending a hand with his sword. There were a few surprises in store for the Rupps who had no idea that there was an extra insert in everyone's invitation except theirs announcing that it was their 50th wedding anniversary. Congratulations were offered to the couple as well as a card and a special cake prepared by Maggie Weir. Some special thanks go out to Maggie for making the wonderful birthday cake that was enjoyed by all. Also, thank you to Ronnie Spicuzza for suggesting and sponsoring SMSA's use of the hall. Thanks to "Mom's in the Kitchen" for the great job they did with the serving and catering of the appetizers and dinner. And a very special thank you to Kris Dennie-Young for organizing the event and serving as hostess for the evening. I cannot thank her enough for making this a great evening.

We were faced with a bit of a schedule dilemma in May and had to move the rendezvous associated with the Proctor-Bailey race series to Sunday the May 16. Please note this on your calendars! We will get the rendezvous underway around 4:00 p.m.

Please bring a meat/main item for your family and crew, as well as a dish to share. We ask that members with last names A-H bring a vegetable salad/dish, members with last names starting I-P please bring something with pasta, bread, or chips and dip, and last but not least, members with last names starting with Q-Z please bring a dessert or fruit dish. We will try to mix this up throughout the year. Please let me know if you have any questions.

John Herbig, Social Governor

MEMBERSHIP

As we get ready for SMSA Opening Day festivities and get our boats back in the water for the 2004 season, I am happy to report that our membership numbers look good. We have had a few dropouts, but have also picked up 11 new members already as of March 8. Thanks to those of you who are keeping the ship afloat by spreading the word about SMSA to your boating friends.

The SMSA Board of Governors has approved the following new memberships. Please make them feel welcome as you meet them at some of our SMSA activities.

Paul & Shawn Maassel are sponsored by Rod Schroeder. With three children enrolled in the SMSA junior program last year, we welcome them as a Family membership for the 2004 season. Their Junior crew members Nicholas, Nathan, and Anna will continue to hone their skills in the Junior program this summer. The family boat is a LASER. Welcome aboard.

Ron and Karen Wilson are sponsored by Norm Dawley. They started sailing on the bay about 8 years ago with their first boat – a Gulfstar 41, and have also spent a lot of time offshore with racing, cruising, and deliveries. Their current boat *Sirena* is a Wasa 51 that they brought to Annapolis in 2002. Ron and Karen are moving their boat to the Solomons area in hopes of finding a permanent location. Their interests include PHRF, SMSA, US Sailing, Cruising, and Offshore. Rod and Karen run the “Internet based” Performance Cruising

Club with web address www.performancecruisingclub.com and intend to cross to the Mediterranean in 2006. Welcome aboard.

Bruce and Mary Shaver are sponsored by Rod Schroeder. Bruce spent several years participating in day and weekend sailing with a friend, but it was his cruise up the Chesapeake Bay during a Delmarva circumnavigation that got Bruce thinking about buying a boat. After taking the ASA 101 and 103 Basic Sailing and Coastal Cruising courses, Bruce and Mary purchased their Hunter 30 *Liberation* and spent a year practicing their skills on the Rappahannock and some cruising with the club at Regent Point. Looking for a marina that was closer to home and a more active club, they have found Zahniser’s and SMSA to fill their needs. They look forward to cruising and socializing with SMSA this year. Mary is interested in the Women’s programs and has expressed an interest to crew in some races to improve her skills. Welcome aboard.

Fred and Sharon Siesseger are sponsored by Joel Bergsman. Their first boat was a new San Juan that was purchased in the late 1970’s and sailed the Chesapeake Bay on weekends for a couple of years. Due to career demands they took a 25 year break before purchasing *Kalypso*, a Morgan 34 from their sponsors, Joel and Mary Bergsman. After spending a year in the yard being restored, *Kalypso* is moored at Calvert Marina and is ready for Fred and Sharon to enjoy cruising with SMSA this season. Welcome aboard.

Daniel Rossi is sponsored by Clarke McKinney. He has recently moved to the Tall Timbers area and moors his Mount Gay 30, *Stitch-N-Glue*, at Harbor Island Marina. Daniel’s interests in SMSA include racing, cruising, social, facilities, and membership activities. Look for this fast boat to lead the way around the race course. Welcome aboard.
