SCREWPILE REGATTA WRAP-UP

By *Sandy Leitner*

The annual Screwpile Regatta was raced over 3 days with 116 boats in 11 different classes. The Dog Days of summer were upon us which resulted in conditions from very light to moderate breeze. All fleets sailed either 6 or 7 races in total. Three race circles were lead by PROs Taran Teague (AYC), John McCarthy (HYC) and Don Behrens (SMSA).

Over 100 volunteers from numerous yacht clubs assisted both on and off the water. Many thanks to all those hard working folks for making the regatta a success once again!

The overall winner of the regatta was Ultra Violet from the PHRF sport boat class. The Antrim 27 was sailed by Dave and Donna Prucnal along with their family. They have been racing in this regatta for 16 years and never won their class. Congratulations!

The Battle of the Chesapeake was awarded to Hampton Yacht Club. This is only the second time in 6 years that AYC has not won the award.

Although it was incredibly hot and humid the after parties at the Holiday Inn were well attended. Thank you LG Raley, Herb Reese and all the volunteers for bringing us a great venue, good music and plenty of rum drinks!

Local boats that did well in the competition were:

American Flyer/Dan Schneider winning PHRF A1
Pursuit/Norm Dawley 4th PHRF A1
Rhumb Punch/John Edwards 7th PHRF A1

Foxtrot Corpen/Jim Keen 3rd Beneteau 36.7 class

The Riddler/ Clarke McKinney 3rd PHRF A2
O'Yeller/Moulds-Hathaway-Rosenburg 8th PHRF A2
Jolly Roger/JR Johnson 12th PHRF A2

Little Latitudes/Jeff Moore 2nd PHRF SB

Easy Button/Dave & Jacki Meiser 2nd PHRF C/D
Akoni/John Kriz 8th PHRF C/D
Spinnster/Dodge-Miller 9th PHRF C/D
Lickety Split/Griffith-Maneely 11th PHRF C/D

Whiskers/Jim Whited 2nd PHRF NS

AAARRGGGHHHH!

(a buccaneer thank you)

The Buccaneer 18 championship regatta in June was a great event for our club. We raised money for SMSA programs, and had a great time.

We did it thanks to the help of our volunteers.

NAUTICAL STORY TELLER/SINGER SCOTT KIRBY IS AT SMSA ON AUGUST 15

For the third year in a row, singer/songwriter Scott Kirby is making an August appearance at the SMSA Clubhouse. This year's concert takes place Sunday, August 15th at 4pm. Door and Bar open at 3pm.

A New England native, Kirby now splits his time between Key West, Florida and New Hampshire when not touring. Much of his music (which can be heard on Radio Margaritaville) is about beaches, harbors and boats.

"Solomons and SMSA have been great to me during my last two visits," Kirby told us this week. "What a beautiful spot you have and a great town. It good to be somewhere that people are listening to the music and appreciate the sailing and boating lifestyle."

This September will mark a first for Kirby as he departs on an international tour. He and Jimmy Buffett lead-guitarist Peter Mayer (a frequent collaborator) are heading to England to play some dates and may extend the trip to the European Continent.

Tickets to the August 15th show are \$15 for SMSA members, who also will receive \$6 in free beverage tickets. All guests are \$20. We will have some door prizes and raffles, too. Food will be for sale by Isaac's Restaurant. For tickets, write to scot-tatsmsa@gmail.com or see Lisa Flaherty, LG Raley or Tim Flaherty

This show is being sponsored by the Holiday Inn, and Bozick Distributors. Bob Hall Distributing has also provided us with promotional materials and door prizes.

Annapolis Cruise, Dinner, & Theater

August 27 – 29, 2010

It's time to start making your August cruising plans. We plan to get an early start on Friday morning (27 Aug) and head north (45 miles) to Whitehall Bay, just south of the Bay Bridge, for a happy hour raft up and a night on the hook. From there we will have an easy run into Annapolis on Saturday morning to pick up a mooring buoy for the rest of the day and night. We plan to get together for dinner at the Federal House Bar & Grille, and then attend the Annapolis Summer Garden Theater in the evening to see the "*Buddy Holly Story*". If you have not yet made your reservation, you can visit their website at www.summergarden.com for more information and on-line ticket purchase, or you can still call the theater at 410-268 9212 to make a reservation. Tickets must be picked up before 8:00 pm and the show begins at 8:30 pm. Please let us know if you plan to join us. We look forward to a fun weekend.

Small boats—BIG FUN!

The small boat race season is in full swing. We've had dozens of boats out racing, lasers, buccaneers, albacores, Lightnings...even a Satellite. The Small Boat program is a "bring what you've got" type of program open to sailboats 21' and down. We race 2-3 races on a typical evening, then follow up the race with a social gathering at the clubhouse. We usually pitch in for Pizza, and tell great stories about the heroic moments on the water, true or not. Small boat racing is not just for super athlete types..we have 12 year old members and members who would prefer we don't reveal their ages all competing together to see who can have the most fun. This season we've had over 30 boats register for the series, and still have room for you. So if you think you might not have anything to do this next Thursday, or any Thursday for that matter, come on by the clubhouse around 5:00...and see if you can hop on a boat.

You can follow the weekly results on the small boat page of the SMSA website, www.smsa.com.

SMSA COOKBOOK

SMSA has a wealth of expert chefs who, as we all know, contribute delicious food at club events. Over the years from sampling the variety of pot-luck rendezvous meals, cruising happy hour refreshments, spicy Chili Cookoffs, and recent themed Commodore's Dinners many of us have probably replied, "This is really good! Who made it? Tell me how you made it or send me the recipe." Well, SMSA friends – it's time to gather some of these well-loved recipes into a cookbook. Then we each can prepare the delicious recipes. At the March Board of Directors meeting, the request was approved to let us pursue this fundraising project.

I have volunteered to be the "chief cookbook connoisseur" (really just the interested chairperson) to organize this new SMSA Cookbook. I do need a committee to help with the whole process. **If you are interested, please let me know.**

Meanwhile, all SMSA members are invited to start browsing through your favorite recipes and then submit them to me. Include the recipe title, recipe, and name of the contributor (also boat name, if desired). Recipe notes may be added if relevant or of interest to others. Here is a list of probable categories for the cookbook:

- BEVERAGES, APPETIZERS, AND SNACKS
- BREADS AND ROLLS
- SOUPS AND SALADS
- VEGETABLES AND SIDE DISHES
- THREE SQUARES- BREAKFAST, LUNCH, AND DINNER
- COOKIES AND CAKES
- OTHER DESSERTS

If there are any questions, feel free to ask me. Many thanks in advance!

Green Fleet Fridays

Do you have a crew member who wants some more time on the tiller? Would you like to try small boat racing out? Are there any recent or new sailors or students you know interested in learning about racing? Or do you know someone who just wants to brush up on their basic sailing?

Green Fleet Racing is here. This is a Friday night program scheduled throughout the remainder of the season. We have Sunfish Sailboats, Opti's and a few other boats available for you to come out, try out, and learn a little more about small boat sailing, and if you want...racing. This is an open opportunity to come and try out something new. Anyone ages 8 and up can participate.

We will Start at 5:30 with a short chalkboard session providing basic instructions, and answering questions, sailing will follow shortly after.

Please contact the junior chairman ant junior@smsa.com

Summer Camps

As expected our Junior Opti sailing camps are progressing quite well. We've had multiple students enjoy the class so much they have signed on for additional weeks, That's right, these kids had so much fun, they are going to do it again!

Sailing is fun, and these classes are too. These students are learning that first hand.

We still have a few spots available for camps, go to www.smsa.com/junior to check it out.

Adult Training

We're moving along with adult training on Monday nights. Our Class is open to anyone 12 years old and up. We will utilize a variety of boats to teach people the basics of sailing.

Students can sign up anytime. Sessions will continue into the fall until we are out of daylight. Email questions to Jimmy at junior@smsa.com or call 240-434-1312.

~~Volunteers and Sailors Needed~~

Thank You!

The BNAC regatta was a HUGE Success!

Thanks to all of the amazing volunteers who helped in many ways. We had dozens of people helping with race committee. We had volunteers cleaning up before and after each day. We had bartenders, cooks, and countless others. There is no limit what this club can offer. (and apparently no limit to how much beer the Bucc sailors will drink!)

The BNAC regatta brought in 33 teams of sailors from all across the country and Canada. We held 12 races over 4 days, not including the practice day... We served dinners on Monday, Wednesday and Friday. We had 4 great parties. We had a great time. The visitors will talk about this regatta for years!

None of this would have happened without the dedication of our membership, the courtesy, hospitality and generosity is unparalleled. Words are not enough to thank all who contributed...but that's what we have to give.

Thank You!

Cruise Reports

The cruise portion of the 5/6 June Race/Cruise to Herrington Harbor was cancelled for lack of a cruise leader.

The 2nd Saturday Cruise to Mill Creek took place in mixed weather. Patty and Rich departed Spring Cove Marina aboard *Reflections* about 1400 hours in very light winds. Once reaching the Coast Guard Station, the winds had increased to 14 knots, or so, and out came the headsail. Although the winds diminished in the Patuxent River, they were able to sail into Mill Creek. Ellie & Ken Mowbray on *Swan* were already there. They rafted up and were soon joined by new members Bill Ostrander & Gayle Craig aboard *Atlas*. Happy hour was interrupted 45 minutes later by a darkening sky, an increase in wind velocity and an ominous warning on NOAA Channel 2. The raft broke up and *Atlas* and *Swan* anchored separately. But the nasty weather never developed in Mill Creek. The only rain came at 0400 hours Sunday morning, and it was sparse.

Sunday morning dawned clear and calm. *Swan* departed first, followed by *Reflections*. The folks aboard *Atlas* decided to sleep in. When *Reflections* departed, Bill was lowering his kayak off the bow to do some exploring in Mill Creek.

With the winds at 4 knots, or less, we motored back to Solomons and our slip in Spring Cove Marina. It was a very nice week-end cruise and it was great to spend some time with both new and old members of SMSA.

First Second Saturday Cruise of 2010

The first SMSA on-the-water cruise for 2010 got off to a good start on May 8th. Eight boats made their way to St. Leonard's Creek despite the poor weather predictions, including forecast gale force winds. Dave & Lois Zonderman onboard "Walkabout" were joined by the following boats: Patty Kimmel & Rich Freeman onboard "Reflections"; Rod & Pat Schroeder onboard "Rusty Nayle"; Ellie & Ken Mowbray onboard "Swan"; Michael & Judy Zoll, family & friends onboard "Talisman"; Joel Bergsman onboard his powerboat "Circe"; Rona & Roger Bayer onboard "Zara" and former members Matt & Marty Miller onboard "Runaway."

The Pot Luck Dinner theme went over well and we all enjoyed various appetizers, entrees and desserts (recipes were exchanged), as well as many adult beverages to keep the crews happy. Tales of former cruises, as well as future plans for the upcoming season, were discussed. The only thing nature threw at us was a continuous gusty wind, anywhere from 16 to 22 knots, making it unsafe to raft the boats together. So everyone anchored individually and met on "Walkabout", thanks to launch duty being performed by Joel, Dave and Matt.

Our weary but happy little group spent the night 'rockin and rollin' in Rollins Cove but all were still safely at anchor on Sunday morning. Hopefully, all the Moms celebrated a lovely Mother's Day after a windy trip home. We hope all who attended enjoyed themselves as much as we did planning this cruise.

Dave & Lois Zonderman

Addendum:

Patty and Rich departed around 0930 hours, followed by Rod and Pat. Once in the river "Reflections" hauled out about 25% of her headsail and was able to make the Coast Guard station at the mouth of Solomons Island, averaging 5 plus knots. Not to be outdone, "Rusty Nayle" popped her headsail coming out of the creek and was quickly catching up before furling just before Point Patience. It was a great morning sail and a nice ending to the first cruise of 2010.

Small Boat One Day Regatta

The small boat one day Regatta took place June 12. We had 7 boats competing in the Buccaneer fleet, and 5 boats competing in the Portsmouth fleet. Our race committee led by JR Johnson (right pictured above) did a great job organizing 5 races in shifting conditions and made for a very fun regatta. The wind was coming out of the NW to start, which made getting out to the race a super smooth, easy sail. The conditions immediately upon the start got challenging. As the sea breeze filled in the land breezes fought, shifted and fizzled out completely at times, but then shifted to the SE with a vengeance. The first three races were held in 0-5 knot breezes that were extremely shifty, while the last two races were twenty minute, hang-on, hold tight and go fast 20 minute 18 knot drag races! Check out the results page by going to www.smsa.com and click on the Small Boat page.

Clew Volunteer Needed

As you are reading this newsletter you will be aware that we have run a few weeks behind on the publication of the Clew. As summer heats up so do our volunteer schedules. I have been working on producing this newsletter for almost the last two years, and really enjoy doing it. However as I enjoy creating the newsletter, I am finding it increasingly difficult to produce the quality of newsletter that you deserve in a timely manner. So I am asking for help. I am capable of continuing to provide assistance in editing and composing pages for the newsletter, but we really need a new person to lead the effort. I'm looking for someone who can be a deadline junky...someone who can set a timetable and stick to it, and someone who is savvy with word processing, and can help with layout. If you would like to assist with producing the Clew, please contact me, Jimmy at clew@smsa.com

Thank you volunteers!

Thank you to Ellen Aulson for volunteering to send this weekly e-mail for what is going on at SMSA. If you have any news to add for any upcoming Monday's email she can be reached at aulie2@aol.com.

"A Mark Of Appreciation"

Think back a few months ... it's much cooler and the sailing season has just barely begun. Imagine a Wed evening at the beginning of the racing season: you're on a boat (maybe you're own) heading out for a long-overdue SMSA Wednesday Night race. RC posts the course and you search your dusty memory for the relative location of those infamous battle-ground marks. Before long you've crossed the start line with the rest of the fleet, pushed along by a good strong breeze. The crew diligently lines the rail, not too shabby from being holed-up all winter. Your position near the top of the fleet has you grinning from ear to ear.

The wind propels the boat nicely along the first leg and you ask if anyone has spotted the first mark, knowing that only a few eyes on-board are strong enough to pinpoint it yet. You take a brief moment to smile at the fleet behind you, then continue searching for the mark. Again, you poll the crew - a few tentative replies confirm the boat is heading in the correct direction, but there is no definite sign of the mark yet. Meanwhile, one boat has gained on you and you keep a watchful eye on her. Position at the mark is important. Speaking of which, you're positive a blind man should be able to see the mark by now. Everyone on-board agrees: the boat should have come up on it already. There is not much navigable water left between the boat and shore. After short discussion, the crew maneuvers the boat in a 'virtual' rounding of where the mark ought to have been and heads to the next mark. Not long after, the radio transmits a hail from RC that the race has been abandoned due to missing mark.

A very similar incident occurred this year for one of our sister associations -- one of their marks was swept away by winter storms and washed onto a beach, with no one the wiser! Hearing the story made me realize how much we SMSA racers owe to the efforts of our Race Program Chair, Joy Dorethy. She dedicates endless amounts of planning, forethought and time to ensure we enjoy another wonderful ('markedly' hitch-free) season of sailboat racing. The next time you see Joy, tell her how much you appreciate what she does for SMSA!
