## Commodore's Corner

By John Blaney  
commodore@smsa.com

Members,

In the UK they use the phrase "The Queen is dead, long live the King". At the recent annual meeting you elected a new set of officers Commodore - Russell Miller, Vice Commodore-Randy Gross, Rear Commodore-Shane Myers, Treasurer-Kristi Yurko, and Secretary-Nicole Foveaux, and a couple of new directors Polly Traynham and Steve Burchfield. I congratulate all of the new and remaining board members and wish them well when they assume the SMSA reins in January.

In the interim, we have joint meetings where they are in attendance and learn about the items on our agenda, which currently focus on setting the budgets for the 2026 SMSA programs. At the November BoD meeting we set an overall target for next year as a starting point. We distributed 2025 account info to the chairs and asked them to come up with ideas and budget requirements for next year. We will then discuss these at the Dec BoD with some items making the cut and some not.

Our main source of income to service ownership debt and operationally run the club is membership dues. If we get too fancy on improvements which require increased income then membership numbers can suffer depending on the size of the increase. Personally, we all have had to deal with increasing costs and inflation on everything and SMSA is no different, suffering those same increase in costs. So the joint process is to come up with an affordable budget that can be approved and implemented by the new BoD, starting in January.

There's some additional tax and financial work to be done in the new year relative to our 2025 finances. We need to have a 3rd party financial review conducted which shows we're in good position but if any issues are found they can be quickly corrected. Likewise, as you all experience, SMSA has to file 2025 taxes at various stages in early 2026. The current and new treasurers have considerable work to do to get this completed.

My initial advice to our new Commodore was to poll all the current chairs

for their continued support. If changes to the chairs or the reporting structure need to be made, then it's important to get them on board asap since the Commodore nominates the chairs and gets approval for them at the January BoD.

Luckily we're about to conclude most club sailing activities, which gives us time to enjoy a busy holiday season of family, work and club events between Thanksgiving, Christmas and New Years. Just remember that the new and old BoD's work continues during that time so SMSA is properly setup for next year.

We hope you enjoyed your Thanksgiving and please don't forget to thank the many volunteers who make SMSA work.

John

## Message From Facilities!

Fall cleanup was held on November 1, with many helpers. In addition to a long list of mundane items like cleaning windows, cleaning refrigerators, changing light bulbs, and stripping boat stalls, some notable work included climbing ladders to clean gutters, cleaning out the waterfront storage shed, and painting the small boat ramps. Names were surely missed, but thanks to Larry Ray, Kevin Pachas and Paige Smith, Robin and Mark Witte, Jonathan Nepini, Les Griffith, Harry and Kati Keith, Annabelle, Cora, and Kristi Yurko, John Blaney, Karl Adler, Scott Patterson, Barbara Miller, Lisa Frailey, Bill and Janet Shoemaker, Vatanna Gaines, Shawn and Laura Stanley, Alexa Peterson, Jim and Barb Whited, Jeff Carlsen, Lucy and Jerry English, Hali Kilbourne, Aaron Shiffer, Rebecaa Murphy, and Michael Sullivan. If you couldn't make it, we hope to see you in the spring!

## HIGH SCHOOL PROGRAM

**Rebecca Wingate**

*High School Program Chair*

[hssailing@smsa.com](mailto:hssailing@smsa.com)

The high schoolers finished up their fall sailing season at the beginning of November with the Varsity and JV Championship regattas!

Tommy Birchfield, Joseph DiBonaventuro, Nolan Wingate, and Colt Touchton participated in the Varsity Championship on Saturday, November 1st on the St. Mary's River, hosted by Sailing Center Chesapeake and Great Mills and Leonardtown High School. The weather was great for this championship regatta, and the boys sailed 16 races in two divisions in a steady breeze. Tommy skippered with Colt as crew in A Division, and Nolan and Joseph switched off as skipper and crew in B Division, with Joseph skippering most races. Tough competition at this regatta left them with 13th place out of 13 teams, and their best races included some 8th, 9th, and 10th places!

Annabelle Yurko, Owen Myers, Max Wingate, and Beau Sink participated in the JV Championship on Sunday, November 2nd at Baltimore County Sailing Center. The day was full of challenges, with an extreme low tide and a beach launch, and very light wind. The race committee was able to get 3 races off for A Division (with Annabelle skippering and Beau as crew), but only one very long race was sailed in B Division (with Owen skippering and Max as crew) due to extremely light winds. The regatta was cancelled and no official scores were reported. Despite challenging conditions, these sailors had a good time participating in the championship!

We are looking forward to starting the spring 2026 season in March. In the meantime, please talk about our sailing team and help us recruit new members! Please stop by the clubhouse and say hello to the youth sailors, as they are part of SMSA's future. Get to know them, and help our team grow. It's a win-win for all.

## KEELBOAT RACING

*Keelboat Race Co-Chairs*

Another successful season has come to an end. Frostbite #4 ended with a whimper compared to Frostbite #3. Now the Awards Gala can be anticipated with great enthusiasm. The Keelboat racers will represent their accomplishments very well and in style as usual.

Don't forget your opportunity to be heard at the December 3 Keelboat Feedback Session at 6:30pm. Your ideas, concerns and suggested improvements will be important to getting as many keelboats and participants on the water next season as possible. We will bring ideas and some of the issues raised this season with us but look forward to hearing from all of you. This session is in the spirit of making the keelboat program as successful as possible.

We thank everyone for their support and feedback this season and look forward to next year.

## THE SOCIAL SCENE

Paige Smith, Chair  
[social@smsa.com](mailto:social@smsa.com)

It is hard to believe that it is the last month of the year. The clubhouse was quite busy in November from the first day to the last! We started out with a Monster Murder Mystery that was very attended and great fun! The costumes were a hoot and the Halloween-theme foods were wonderful. The month ended with a nice turnout for Friendsgiving!

Other major events included the Annual Business Meeting, the Sunday Frostbite races followed by the results gatherings, and the Wednesday Racing Awards & Potluck. It was great to spend time with everyone as the Keelboat sailing and racing season came to an end. Thank you to all the club members who brought dishes to share, helped set up and break down for these events. All of the club's gatherings would not be possible without everyone's contributions.

December will be just as busy as November, so please mark your calendars to help the social committee and SMSA make these upcoming events as spectacular as always!

**Saturday, December 6th:** Annual SMSA Christmas Potluck Dinner—The doors open at 5:30pm and dinner will start at approximately 6:30pm. Come and enjoy the food, fellowship and joyous carol singing. The club will provide turkey and ham, so please bring a side or dessert (that serves 8-10) to share. The social committee will need volunteers for this wonderful holiday tradition, so again, please sign up to assist with prep, setup and breakdown/cleanup for this event!

**Saturday, December 13th:** Christmas Walk/Open House/Boat Parade—Doors open at 5:30pm. Be sure to come to the clubhouse to spread holiday cheer and watch the boat parade. The boat parade should be in front of the gazebo by 7:15pm. As in the past, the club will host an open house with a pool set up in the back for children to sail and race little wooden boats. We will also provide warm mulled cider and cookies. The social committee will need volunteers to help us make this a great holiday tradition, so please sign up to help!
