Fall & Spring Frostbite Races

STARTING LINE: Between yellow flag on the RC boat and “X” or between a yellow 2’ x 3’ “rigid flag” along the waterfront with a recommended bearing to “Y” of 117 – 122 degrees if RC is on shore. If RC is on shore, the starting line will defined by the course side edge of the “rigid flag”.

COURSE: Determined by RC using Patuxent River Race Marks, drop marks, or a combination. Mark “K” must be the first mark if RC is on shore. It is encouraged that RC use the RC boat when possible.

FINISH LINE: Between yellow flag on RC boat and “X”, or between a yellow 2’ x 3’ “rigid flag” along the waterfront with a recommended bearing to “Y” of 117 – 122 degrees if RC is on shore. If RC is on shore, the finish line will defined by the course side edge of the “rigid flag”.
