# INTRODUCTION

## BACKGROUND

“This document will serve as a guide to the various Officers, Directors and Committee Chairs for their conduct and execution of their SMSA duties. The 2006 Governance Committee formulated the inputs and updates that follow. The guide is built upon earlier policies and incorporated procedures that were found to provide the best operational system after many years in practice. In the past, the pass down of information from one board to the next was lacking in definition and structure and in some cases for certain positions it was nonexistent. These policies and procedures are not perfect, but they have been derived from our experience and interest for the future of SMSA. This manual will be updated as necessary and re-adopted by each incoming Board of Directors and Chairs. In no way shall these recommendations and responsibilities supersede or modify the Articles of Incorporation and By-laws of SMSA.”

*Southern Maryland Sailing Association, 2006 Governance Committee*

## MISSION STATEMENT

The ‘Mission’ of SMSA is to organize and operate a corporation exclusively for educational, charitable, promotional, and propagation purposes in connection with sailing and all matters of sailing activities. [SMSA Articles of Incorporation (Article 2, section B).]

## VISION

It is the ‘Vision’ of SMSA to continue to be the premiere sailing outlet in the Southern Maryland region. We will continue to provide our members with the best venue for on-the-water racing and cruising events as well as on-shore social activities. We believe that we will be realizing our mission by continuing to provide opportunities for participation in our club events.

Specifically, we will pursue the following to achieve our vision:

- Schedule, plan and run quality race events.
- Schedule, plan and run cruises.
- Schedule, plan and host social events.
- Develop a plan to acquire a permanent/semi-permanent clubhouse facility for future club activities.

## **DOCUMENT OVERVIEW**

The intent of the Southern Maryland Sailing Association (SMSA) Policy Manual is to be a working, living document, in that the content of the document should never be considered final or unchangeable. As you use this document, comments, additions and modifications are requested to keep its content current and informative.

The **INTRODUCTION** to this manual includes SMSA's Mission Statement and Vision, for guidance and should be read and understood by all incoming association leaders to ensure that each Board of Directors (BOD) continues working to support the SMSA mission and long-term vision. The Mission Statement is derived from the corporation purposes stated in the Articles of Incorporation, Bylaws and their revisions. The Vision declares the future direction of the club, which by its very nature is ever-changing.

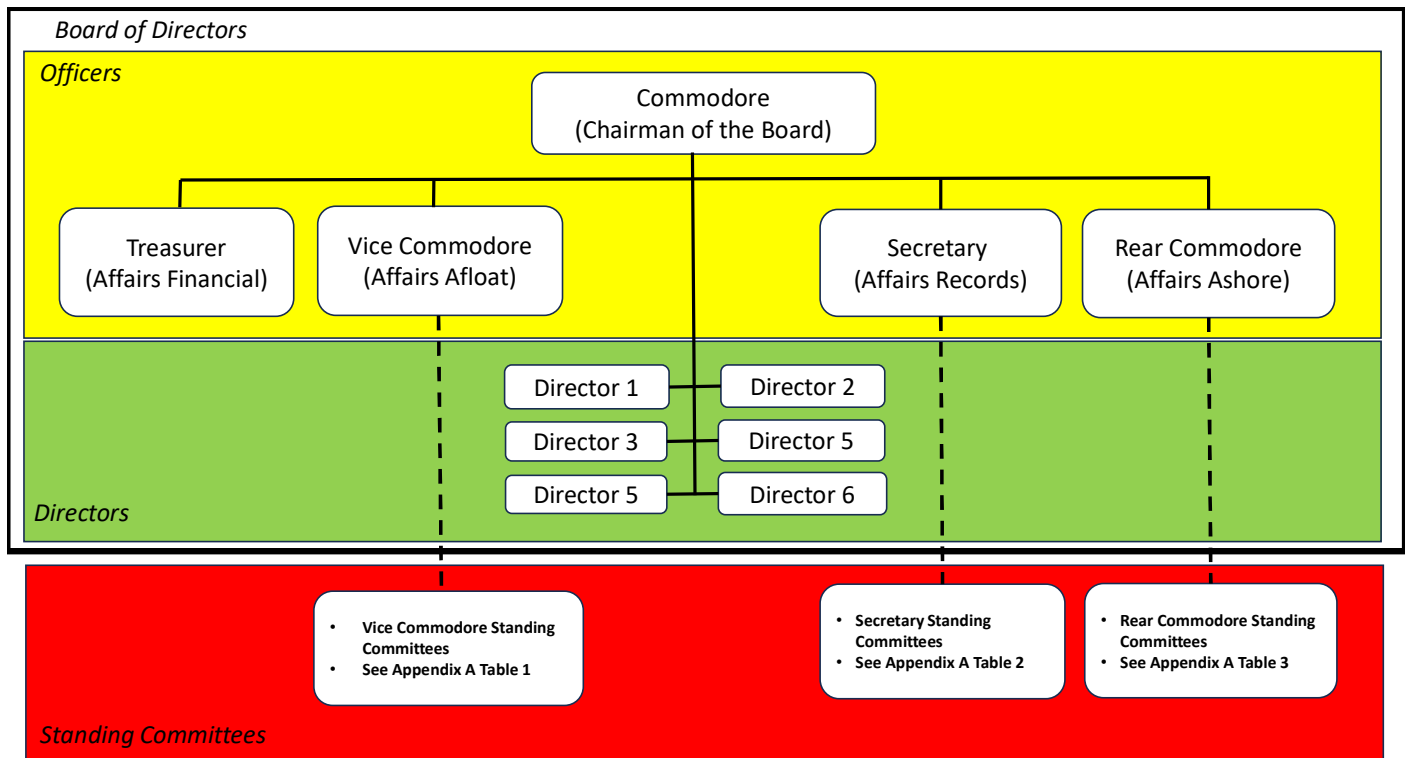

The **SECTION I: POLICY** portion of this manual contains SMSA Policy matters that govern the conduct of our business in accordance with the Articles of Incorporation, By-Laws, and Active SMSA BOD Policies. Changes to the By-Laws or Articles of Incorporation can only be made by vote of the membership in accordance with procedures contained in the By-Laws. The list of Active SMSA BOD Policies contains policies that have been established by formal motion and vote of approval by previous Board of Governors (BOG) or Board of Directors (BOD). These policies are considered binding until/unless modified/deleted by a formal motion and vote of the BOD.

The Appendices to this Policy Manual are intended to be a single location for our members to find the "How-to's" (ex. how to check out a small boat, how to rent the clubhouse, etc.). Proposed changes to the Appendices shall be approved by the Officers.

All information should be revisited often by Board Members and Committee Chairs to ensure they continue to reflect and direct our programs in support of the club and membership. At a minimum, this manual shall be updated annually. Any new input, change or deletion to these sections should be provided to the Rear Commodore or his/her designee as the caretaker of this Manual.

## SECTION I: POLICY

### ACTIVE SMSA BOD POLICIES

The SMSA policies listed in the following table have been formally adopted by majority vote of the Board of Directors (BOD) in accordance with the SMSA By-Laws Article I, Section 2. The purpose of these formal policies is to complement the SMSA By-Laws by providing specific direction, documenting operating procedures, and establishing policies that are not covered elsewhere. The SMSA By-Laws take precedence over any conflict in meaning that may arise from interpretation of these policies.

These policies remain in effect until cancelled by majority vote of the BOD or the membership. Policies that explicitly include an expiration date will expire on that date.

Storage fees are per boat and are divided into 2 categories: Small &amp; Large based on the size of the dry storage spot. All small boats (heretofore known as ‘dinghies’), will be stored in marked spaces beside and behind the clubhouse with one boat permitted per space.</li> <li>3. Notice of space availability will be made in January by Dock Master to the entire club and anyone who has expressed an interest in rental.</li> <li>4. Spaces will be assigned in March in the following order of priority: <ol style="list-style-type: none"> <li>a. All stored boats and their trailers/dolly must be maintained in seaworthy/proper working condition with tires properly inflated. SMSA retains the right to request a boat be removed from the premises if it is not adequately maintained.</li> <li>10. This right is reserved to allow SMSA to maximize facility use for events/actions that are beneficial to SMSA (hosting one-design or local regattas, necessary construction or improvements, etc.). Failure of the owner to remove their boat from the premises will result in a fee of \$50 per occurrence per boat. SMSA reserves the right to remove the boat(s) from the premises in order to meet club needs and is not responsible for damages that may be incurred. Member is in arrears until the fee is paid.</li> <li>11. Annual storage fees are listed in Appendix B. The annual storage period (01 April – 31 March). - (e) Other than as stated above, for all other issues, at least a majority of the ballots were cast and fifteen percent (15%) of all eligible voters must be in favor.

## **Article IV - Financial Management**

**Section 1. Dues, Fees and Assessments.** The BOD shall determine and annually set the initiation fees, Regular Membership dues, Junior Membership dues, program and service fees, and member assessments of the Corporation. Current year dues for the Regular and Junior Membership classes, fees, and assessments will each be recorded in the Policy Book. Dues for the Young Adult and Emeritus Membership classes shall be indexed to equal 50% of the dues for the Regular Membership class. Once so indexed, all dues shall be rounded up to the next nearest dollar. Any payments made by members at Corporation functions on a "pay as you go" basis shall not constitute any of the dues, fees or assessments set forth in this Section.

Dues are payable at the time of billing and a member will be considered to be in arrears thirty (30) days after billing. Without adequate reason, a member in arrears for any indebtedness will be declared not in good standing by a majority vote of the BOD.

**Section 2. Budgets.** A comprehensive annual budget showing all available cash or other funds, assets, liabilities, set-asides, indebtedness, escrows, reserves and capital expenditures representing the net worth of SMSA must be presented by the Commodore and approved by the BOD at the beginning of each fiscal year. The BOD will also prepare a similar three-year planning budget and review/update it annually.

The Treasurer shall report to the BOD and to the Committee Chairs monthly (or otherwise as the BOD may provide) as to the income and expense for each program for the year to date. Program Chairs will take steps to correct any deficit in their programs that significantly exceeds their approved budget (as broken down into expected cumulative monthly projections). The Vice Commodore and Rear Commodore will participate in ensuring that programs under their jurisdictions stay reasonably close to their budgets.

The BOD is empowered:

- (a) To increase dues by an amount not exceeding twenty (20) percent of the existing level each year;
- (b) To set initiation fees and program fees to adequately fund operational budgets;
- (c) To levy one-time assessments on the membership, provided that the sum of all such assessments in any one year does not exceed the amount of the annual dues currently in force;
- (d) To incur long-term indebtedness up to an amount not to exceed ten (10) times the amount of the past year's annual dues income;
- (e) To authorize expenditures up to the net corporate assets

Above these limitations a ballot referendum of the membership will be required. Specifically, if the proposed annual budget exceeds any of the authorized limitations to dues, fees and assessments, the Commodore elect will submit a justification for such increases with a ballot for General Membership approval at least fifteen (15) days before the Inaugural Meeting.

**Section 3. Financial Review.** A financial review conducted by an accountant selected by the BOD shall be made at least once every two years or within 30 days of the installation of a new Treasurer.

## **Article V – Insurance and Indemnification**

The Board, on behalf of the Corporation, shall procure and maintain adequate and appropriate Directors' and Officers' liability insurance; fire and extended coverage insurance on property and improvements thereon owned by the Corporation; and general liability coverage, public liability coverage, and worker's compensation insurance coverage.

The Corporation shall indemnify every Officer, Director, and duly appointed Chairperson or Committee member of the Corporation against any and all expenses, including counsel fees, reasonably incurred by or imposed upon an Officer, Director or duly appointed Chairperson or Committee member in connection with any action, suit or other proceeding to which he or she may be made a party by reason of being or having been an Officer, Director, or duly appointed Chairperson or Committee member of the Corporation. The Officers, Directors, and duly appointed Chairperson or Committee members shall not be liable to members of the Corporation for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith.

The Corporation shall defend Directors, Officers, and duly appointed Chairpersons or Committee members in connection with any action, suit, or other proceeding for such acts and omissions arising within the scope of the duties carried out by such Directors, Officers, and duly appointed Chairpersons or Committee members with regards to any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith, and shall indemnify them individually or collectively to the extent that such costs of defense, including reasonable attorney's fees, and/or damages are not covered by directors and officers liability insurance or other insurance maintained by the Corporation.

## **Article VI: Dissolution**

In the event of dissolution of the Corporation, the BOD shall, after paying or making provision for the payment of the liabilities of the Corporation, dispose of all the assets of the Corporation exclusively for the purposes of the Corporation in such manner, or to such organizations as shall at the time qualify as exempt organizations under Section 501 (c) (7) of the Internal Revenue Code of 1954 (or the corresponding provision of any future United States Revenue Law), as the BOD shall determine.

## Appendix C – CLUBHOUSE RULES

The SMSA Board of Directors (BOD) has set forth these rules for member and club program use and for rental of the clubhouse to members (age 18 or over) and sponsored guests. Such usage and rentals shall not conflict with other scheduled events in the SMSA annual operational calendar found on the SMSA website. SMSA members may reserve the clubhouse in two ways: for themselves (birthday parties, anniversaries, etc.) for invited private social functions, or a member may sponsor clubhouse use by non-member individuals or organizations (clubs, meetings, seminars, etc.). Please coordinate date availability and property access requirements with the Rear Commodore ([rearcommodore@smsa.com](mailto:rearcommodore@smsa.com)) and Facilities Chairperson ([facility@smsa.com](mailto:facility@smsa.com)) prior to submitting a formal application.

Junior Members may only have access to the front and middle rooms of the SMSA Clubhouse when a Regular Member, Young Adult Member, Emeritus Member or SMSA employee is present.

For additional information regarding Clubhouse rental, please refer to the SMSA Clubhouse Rental Application which can be found on the SMSA Website.

Specific rules while using the clubhouse:

1. Safe use of the clubhouse is of primary importance. Sponsors of each event at the club will familiarize themselves with the fire extinguisher locations. **Please note that there is no phone in the club house or on the property.** All exit doors should remain unlocked during all functions.
2. All club programs, rentals, organizations and private party sponsors shall be responsible for cleaning the SMSA Clubhouse **immediately after their respective events unless specified in the Clubhouse Rental Agreement.** Cleaning shall include sweeping all floors, mopping the bar/food staging area, and any spills elsewhere in the clubhouse, cleaning the bar counters, tables, washing any dishes and silverware used (dishwasher is available for use. Renter does not need to stay to empty the dishwasher), cleaning the bathrooms, and taking all the trash out to the trash can. Do not lean chairs or tables against the walls.
3. Under no circumstance shall anyone hammer nails or thumbtacks into walls or trim, or use scotch tape, or masking tape to hang any decorations in the Clubhouse. The ONLY approved hangers for decorating in the SMSA Clubhouse are "3M" Clips and Hangers that use the "Command" brand of adhesive. This adhesive will not damage the walls or wood trim when it is removed. (There are already hooks hidden under the valences that can be used for light-weight items such as holiday lights, etc.). Any permanent installation shall require approval from the SMSA Rear Commodore.
4. The propane gas grills may be used. After use, the grills shall be cleaned and placed back in the patio area.
5. The bar/food staging area or Social Room may be used for the event to include food assembly, warming and cold storage in the refrigerators. The bar/food staging area may be used for food preparation or cooking. However, any function open to the Public requires a Calvert County food permit. **Food placed in the refrigerator must be removed at the end of the event unless specified in the Clubhouse Rental Agreement.**
6. When using the SMSA Clubhouse in cold weather, do not set the thermostat above 68 degrees. Before leaving, please remember to hit "Cancel" to return the thermostat to its scheduled program.
7. Before leaving the Clubhouse, make sure that all doors and windows are locked, all lights are turned out, the thermostat is correctly set, and that the proper cleaning has been performed. Contact the Facility Chair ([facility@smsa.com](mailto:facility@smsa.com)) or Rear Commodore ([rearcommodore@smsa.com](mailto:rearcommodore@smsa.com)) for a facility inspection required prior to receiving any refund of the Cleaning Deposit.

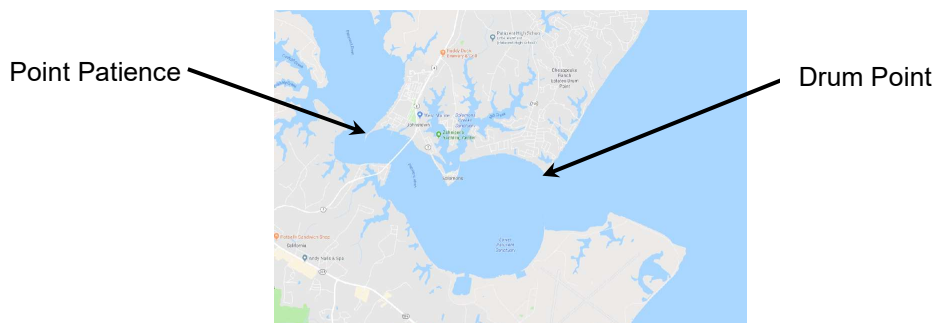

For additional details regarding reserving the clubhouse, please see the Clubhouse Rental Agreement Form which is located on the SMSA Website.

## Appendix D – Small Boat Checkout List

(Season use is May 1 to September 30)

**\*\*All Coast Guard, State and Local Regulations must be followed\*\***

1. An SMSA member may sign out a Holder 20, Sunfish, 420, Opti, sailboat. AFTER they have completed a "Check Out Assessment" to ensure proper rigging, launching and docking. \*(See Small Boat Chair for checkout). The small skiff may also be checked out when available and only to accompany sailors. The operator shall attach the safety lanyard to themselves.
2. When signing out a boat, the member must fill out an SMSA Float Plan in the binder located in the Junior Room.

For members under the age of sixteen, an adult must be present and monitor their sailor for the duration of their sail and assist in both launch and retrieval of the boat. Members under the age of 16 may not sign out a Holder 20 or the small skiff.
4. The member who signs out a boat is responsible for ensuring proper safety equipment is on board, safe operation and return, plus should be aware of the sailor's abilities and current / forecast weather conditions.
5. Member must provide PFD(s) for themselves plus anyone else onboard. Sailors are encouraged to wear a PFD at all times. State law requires sailors under the age of 13 to wear a PFD and SMSA Small Boat Sailing Instructions (SIs) require competitors under the age of 18 to wear a PFD to participate in races.
6. Boats may be signed out for SMSA racing events at the discretion of the appropriate Race Chair(s). Sign out is limited to one event at a time (season long checkout for racing use is not permitted). Refer to the Race Chair for applicable fees and any rules regarding scoring or participation. ## **Appendix F – MISCELLANEOUS HOW-TO'S**

### **1. How to add the SMSA calendar to your personal Google calendar**

If you have a google account (or if you'd like to create one), you probably love the calendar feature. You'll love it even more when you can view your personal events and SMSA events at the same time! To do this, go to your google calendar and, underneath 'Other Calendars,' click Add by URL.

Here's the URL to add:

<http://www.google.com/calendar/ical/qln98pf7cq2b1bnq42q2h59bag%40group.calendar.google.com/public/basic.ics>

### **2. Use of a Mourning Cloth**

Upon the passing of a member of SMSA, the Mourning Cloth shall be displayed over the doorway of the clubhouse for a minimum of one week.

## Appendix G – INCIDENT REPORTING FORM

This report must be submitted if significant injury or property damage occurs involving club ashore property including the pier, a club vessel, or any club-sponsored event.<sup>1</sup>

**THIS REPORT DOES NOT REPLACE EXTERNAL REPORTING REQUIREMENTS.  
BE SURE YOU KNOW AND FOLLOW THESE, FOR EXAMPLE:**

**General Emergency – 911, VHF Channel 16; Spill 800-424-8802; SAR 757-398-6700; etc.**

Email the completed form **immediately** to [commodore@smsa.com](mailto:commodore@smsa.com), [vicecommodore@smsa.com](mailto:vicecommodore@smsa.com), [rear.commodore@smsa.com](mailto:rear.commodore@smsa.com), and the pertinent committee chair, for example [keelboat@smsa.com](mailto:keelboat@smsa.com), [junior@smsa.com](mailto:junior@smsa.com), or [social@smsa.com](mailto:social@smsa.com).

<sup>1</sup> Significant Incident at a minimum is defined as a personal injury requiring emergency response or urgent care or substantial property damage to a club asset or another's property, such a boat collision. A minor cut needing antiseptic and a Band-Aid or a minor bump of the RC boat against a piling does not require reporting. Any incident that might require a trip to the doctor or emergency room or involve major property damage to a club or other asset shall be reported promptly. Please err on the side of over reporting rather than allowing a potentially nasty incident to fester until club officers eventually hear about it through the "grapevine."

## Appendix H – RC BOAT PROCEDURES

Before setting out to do race committee **all are urged to review the SIs and race management educational materials** that can be found at: <https://www.smsa.com/Race/2019/Info/SIPage.php>

These will help you figure out where to put out the pin, select the racecourse, anchor the RC boat, etc. for a fair start and to run a first-class race.

The Boat is located on “G” dock at Zahnizer’s Marina, Solomons. The keys for the engine and the fuel filler cap are located on a hook behind the forward cabin bulkhead. **BE SURE** to return the keys to that location and locking the cabin when you are done.

The boat runs on **DIESEL**. Be sure you have sufficient fuel for your event. SMSA has an account with Solomons Yachting Center so you can top off there on the way out from the club if need be.

Engine raw water intake is always left open.

### I. Equipment Locations:

- Course marker pendants are in rollup bag in forepeak.
- Race management flags are in racks under the canopy top.
- Automatic sound sequence start box is in cabin on shelf on port side. See Appendix C to SMSA Policy Manual for start box procedures.
- Sailing Instructions (SIs) and trip logbook are on dash by depth sounder and chart plotter.
- Electric inflation pump, wind meter, binoculars, handheld compass, clip boards, etc. are in black bag in cabin in grey tub on port side shelf.
- Orange pin float and attached anchor and anchor rode are in forepeak. If anchoring in deep water (depth greater than 30 feet, add second 50-foot pin anchor line).
- First aid kit and distress flag/flares are in cabin on starboard side next to steering station. **If you use these, please report it to RC boat captain for replacement as needed.**
- Fire extinguishers are in brackets in the cabin on each side of cabin door. **Please report any use to RC boat captain.**
- Throwable cushions and foredeck crew work vests are in the forepeak.
- Emergency hand bilge pump is in forepeak.

## II. Predeparture:

- Raise engine box cover and perform these checks:
  - Check antifreeze level in coolant expansion tank.
  - Check engine oil level.
  - Check transmission oil level. With a cold engine the level should be at least ½ inch above the upper mark on the transmission dipstick.
- Set main battery switch to “Both.”
- Start engine and **check for water discharge from exhaust.**
- While the engine is idling in neutral to warm up, check fuel level, oil pressure and voltage on control panel.
- Remove covers and turn on depth sounder and chart plotter.
- If night race or you will be out after dark check navigation and cabin lights.
- Enter departure date/time, fuel level, engine hours reading in trip logbook on dash.

## III. Departure

- Be sure all dock lines are released and properly placed for retrieval upon return.
- Place spring line on forward bow piling. **Do not loop around the walking line.** It can fall off and become fouled in the propeller.
- **Do not rush.** The best bet is to leave the engine at idle and just shift forward and reverse as you maneuver out of slip. Walking the boat out of the slip is perfectly fine. Remember boat backs to starboard. This can help you on departure (and return).

## IV. Return

- **Do not rush.** Slow and steady does it. The best bet is to leave the engine at idle and just shift forward and reverse as you back into slip. Remember boat backs to starboard.
- Shut down engine and return key to hook behind radio on forward cabin bulkhead.
- Turn off depth sounder and chart plotter and replace covers.
- Repack course markers, flags, throwable cushions, deck chairs, etc. and return to proper locations in cabin.
- Rinse down anchors with dock hose before storing in cabin.
- Close cabin windows if opened.

- Collect all trash, bag it, and dispose of it ashore. Place a new trash bag in the waste basket.
- Fill out the RC Boat trip logbook before leaving. Note any discrepancies in the logbook.
- Be sure bow, stern, and spring lines are in place and secure.
- Turn the main battery switch to "OFF."

**Leave the boat as you found it** with anchors rinsed, equipment properly stowed, trash removed, etc.

Notify the RC Boat Captain or the Race Chair by email of any discrepancies or supply shortages on the RC Boat. See the SI Contacts Page for email addresses.

## **Appendix I – Kayak and Stand Up Paddle Boards (SUPs)**

(Assets available for use: April 1 to October 31)

**\*\*All Coast Guard, State and Local Regulations must be followed\*\***

Example: Must carry a sound producing device (Ex: whistle attached to your PFD)

A 'Check Out Assessment' is **STRONGLY** recommended for SMSA Members wishing to sign out a kayak or Stand Up Paddle Board. Please contact Membership Chair for checkout assessment.

1. When signing out a boat, the member must fill out an SMSA Float Plan in the binder located in the Junior Room. Maximum checkout period is 6 hours. Member must sign the boat back in with the actual return time and identify any maintenance/damage issues. [PLEASE report damage so the damage can be repaired, and all members can continue to use the assets - if damage is not repaired, it can create greater damage]
  - a. A minor member must have a permission slip signed by their parent / guardian on file with SMSA before they can sign out a boat.
  - b. The member who signs out a boat is responsible for ensuring proper safety equipment is on board, safe operation and return, plus should be aware of the participants' abilities and current / forecast weather conditions.
2. All occupants must WEAR PFD(s).
3. All boats must remain within the designated operating area. The general area includes Drum Point to Point Patience and waterways in between. All members are reminded that wind, tide, and current will affect your use of the Kayaks and SUPs. Please remain aware of the tides, current, and weather and their impact on your stamina and safety. All minors paddling their own boat or board must stay within the creeks.
4. Kayaks and SUPs must be launched/recovered from SMSA. We do not allow you to transport them from SMSA for use in other locations/waters.
5. The presence or consumption of beer or other alcoholic beverages is strictly prohibited. Users must refrain from using drugs or alcohol prior to or while using the equipment.
6. NO sitting or standing on sit-on-top kayak or SUP when boat is not in the water (ex: shore, dock, floaters)
